Pre-Engagement Questions

Here are a few initial questions we will be asking.

- + What is the scope of the project?
- + What are the date parameters to be reported?
- + What is your desired timeframe or deadline?
- + Who is the client - who will be signing the engagement letter - you or your client?
- + Who are the intended users of the report or information - law enforcement, court, beneficiaries, shareholders?
- + What financial information is readily available - bank statements, tax returns, partnership agreements, corporate filings?
- + What additional expertise may be required - valuations, appraisals, mediation, IT/computer, private investigations, tax preparation?
